“ As a youth I looked up to Laura and admired her kindness and grace to others. I visited several times and also delivered Easter baskets from WMU, but now I wished that I had been more regular in my visits while in Tippah County. The last time I saw Laura, I was being wheeled out the back door by an aide on my way to Memphis to see my orthopedic surgeon. I called her name but she did not respond, not expecting to see me in a wheel chair. I wanted to linger and chat but we were on a tight schedule. I know that when I will see her in Heaven we will have unlimited time to chat. My prayers for all of you as you adjust to your Mom's absence.

“ Mrs. Walker was such a sweet lady with a kind heart and soul. Precious neighbor I always loved to ride my bike and visit her in her beautiful yard. Will be greatly missed. Prayers and condolences from Dennis Hopper and family, and Jamie Bridges

“ I loved Ms. Laura Edith. I always enjoyed visiting her when I was at Mom’s. She was like a sister to mom. My grandmother was like a sister to her mom, Mrs. Ida, also. I have heard of many stories of the moms and daughters having a great time together. Ms. Laura gave me her famous roll recipe and even showed me how to make them one day. She always brought them to our house during the holidays ready to cook in the oven. She will be greatly missed. She was such a sweet, humble lady and always so considerate of others. We are praying for the family. Sheila

“ Mrs. Laura was one the most kind Christian lady I knew. She always wanted me to stay and eat with them when I delivered her Avon. She shared her love, garden vegetables, time and more with friends. I loved helping her around the house from time to time and cleaning out her closet. Any time spent with her was a joy.

“ Miss Laura was the kindest, most patient woman. I was there probably as much I was at my own home growing up. Even through the teenage years, she never discouraged my being at their home for days at a time. She loved, and was so loved, and will be greatly missed.
