“ A true jewel mammaw Jean was!! Taught me so much about being a mom and how to cook! Enjoyed every trip we went on and all the 2 hour phone calls we had for so many years!! I couldn't have ask for better than mammaw Jean! She treated me just like I was her own daughter for so many years! She always made sure she fixed everyone their favorite didahes for the holidays! She would sit my two boys on her lap and feed them corn pudding as she called it and cornbread!! She loved her family so much and worked so hard to make sure they always had what they needed! She loved to give to others and to see other people smiling!! She was the hardest working women I have ever meet in my life!! I'm gonna miss you so much, but I am so thankful.for all the beautiful memories I have!! Thank you for always loving me, mammaw Jean!! But most of all thank you for all the beautiful memories ❤️
