“ *I love my aunt Emma so very much. As a child and all the way through high school, me and my parents would go every Friday night to have dinner with aunt Emma and uncle Frelon at the Shoneys restaurant near their home, then we would always go to their house. My uncle loved her with all he had and took care of her. He would warm her car in the mornings. My daddy had to teach her how to pump gas after my uncle passed away. She is loved by so many in our Parker family. My daddy, Willie Parker, and uncle Frelon were brothers and had a very close bond. When aunt Emma married my uncle Frelon they raised my cousin Johnny together. I thank God the memories that I have with her.*

“ I remember when Ms Emma would sometimes come to Mt Moriah Baptist Church in Ripley, Ms. She came a few times to our women’s Sunday School class, which her sister-in-law, Becky L. taught. It was a joy to see enjoy meeting with ladies and enjoy being a part of our class! I know she’s with her Lord and Savior now, and I’m know she’s praising Jesus!!! I know she will be missed by her family and friends that knew and loved her so much!! A very gracious lady! May God bless and comfort her families!!
