“ *To Susan, there are no words to ease your pain and the loss that you are feeling right now. Your mama was the sweetest lady and always had a smile for everyone she met. I will always remember the first time that I ate chocolate gravy and homemade biscuits at your home. I had never had it before. She was an amazing cook and woman. I'm so sorry for your loss. Many prayers, thoughts and love to you my sweet friend. It has been too many years.*
