“ *Living here on Victoria Dr. for almost 24 years we have come to love Mrs. Martini. We use to see here working in her yard and taking care of her pets always with a warm smile and a kind word. When we moved here she had a nova that sat under her car port and I'll always remember her as a cat loving hot rod granny. She truly was a very special lady and we will miss her so much. Our prayers are with you and your family.*
