“ Mr Everett was one of a kind , he was kind strong as an ox and funny and smart as all get out. I ll never forget our vacations with our beloved Shoups . They were friends but more like family . On one particular vacation we stopped by a thrift store and I begged my parents to get me the disco ball and it was a no and Mr Everett got it and put it in the van and my parents didn't even know until we got home . He made room for it. I loved it then and even more now. I love his entire family . He had a big heart and he and Mrs Sherie always helped whoever whenever . Loved God and his family and always have the fondest memories. I knew you never wanted a paddling from him . He is smart . Stern and a big ole teddy bear with absolutely a heart of gold . 🧡 My thoughts and prayers are with his beautiful wonderful sweet family. He definitely left a legacy and his boys are pretty awesome and have amazing wives. Rest in peace Mr Everett until we see you again in heaven. Behind every great man was an even greater woman . I admire you Mrs Sherie the love and care you show to not only your family but friends and anyone. She is a saint.
