“ *I taught with Mrs. Childs the first couple of years that I taught at Pine Grove. I also taught her son Heath in the Gifted Class. She was a wonderful role model for a young teacher, and truly took me under her wing during those first years of teaching. She was a wonderful teacher and friend. She touched many lives in so many ways. So sorry for your loss.*

“ *What a truly awesome Lady and teacher. She was my first teacher at Pine Grove and I can distinctly remember two events where she made me feel like I was special. I just hope that I can pass that on to my students. I will continue to pray for each of you.*

“ *So sorry to hear of Frances' passing. She was one of my favorites at Blue Mountain. When Mother was teaching there and I was in Ms. Edwina's class, she and others would come to the room. I remember her in the plays and in general she just made a great impression on me at that age. Even though she never taught me, I remember seeing her in BM at her Mom's and always enjoyed being around her. May the Lord comfort each member of her family as only He can do.*
