“ *My sincere condolences to your family. May you find comfort in the promise of Revelation 21:4 of a time when death will be no more and loved ones will be reunited.*

“ *Joyce, Sonny and family, We was so sorry to hear about Mrs Frances. You both know how we loved her and Mr. Tom. They were such good friends with Mother and Daddy. They are all together now and enjoying every minute of it. I was planning to come to the funeral, but with all this weather, I was told by my son to "stay home", so I guess I better do what he says. You know we love you all and we are thinking about y'all and praying for you.*
