Just found this Mr. Fred was a fixture in my life growing up right down the road in Tiplersville at my Grandma's house. When i was little she would send me to the store with a list of things and Mr. Fred would help me gather everything up and talk to me the whole time about what she was making , if a coconut was on the list it was coconut cake . Him and Mrs. Margaret were surrogate parents to alot of us kids in the neighborhood . People like them made it a pretty wonderful place to grow up . Stopped by a few years ago and talked to him a minute when he was out in the yard and i was passing by he looked at me and said you got big as always brought a smile to my face . Thanks for the memories ,Billy Pickens

“ *My husband and I lived across the road from Fred and Margaret in Tiplersville for 13 years. We would always have a special visit at Christmas time when we would bring them banana nut bread and fudge. We loved them dearly! Fred was just the best friend and neighbor! (Garry & Jo Martin)*
