“ *I was just recently thinking of Granny a lot and decided I might as well write something. I was looking at a glass angel that I was able to get that is sitting on my dresser that was hers, and I realize how much I miss you Granny. I just think that I won't be able to call again. but when I do think about her, I realize that she IS in a good place now and she is doing SOO much better. but still the thought of never being able to say "i love and miss u granny and we'll be back soon," just hurts sometimes. but i don't ever wish her to be back on earth suffering, I just want to say I miss you and will see you eventually! :) I will always love and miss her.*

Lots of love,

Tara Shappley :)

“ *I was so sorry to hear about Mrs. Helen. I have wondered many times how she was doing. I knew her from when I was little. We went to church together at Marlow and I always thought the world of her and Mr. Troy. They were always very good to me! Just wanted you to know I'm sorry for your loss and you will be in my thoughts and prayers!!*

“ I miss you Granny but I would not want you back in this old world not for one second.I know I am and was your favorite daughter-in-law. Because I am your only one and I am so honored.You are so special to me. We shared the good times along with not so good. God was always there for us.Granny I love you so much but you knew that.I know you are in heaven with Jesus all your family,friends and loved ones. everywhere around this big wide earth.All of us left here can see you again it is so easy.We just need to ask Jesus to come in our hearts and forgive us of our sins and He will.So I did not say good-bye I just say My Precious Mother-in-Love I'll See You Later. Tell our Jesus I said hi and I love Him so much.You are so loved and missed. See a liittle later.Loving You,Billie Faye

“ I'm so very sorry to hear of your mother's passing. She was a very special person to me and my family and our hearts hurt for you and with you. I pray that God will be with you during this time and the difficult days ahead. God is kind in that He gives us memories to carry with us of those loved ones that go before us.

“ I'm Mitchell, Helen's Grandson. I will miss her so much words cannot begin to describe. Granny was the sweetest and one of the most genuine persons I have ever known. She loved me and taught me what it was like to love God and be a good Christian. Some of my finest memories of my life come from the days when her and Grand Dad lived in Walnut and I would visit for the summer. I would hunt and fish and what ever I brought home and ask Granny to cook for me should would. We had many a great meal of fish and rabbits.

I remember going with them to Marlow Church of Christ and worshipping. I remember that they had a lot of friends there and how kind everyone was to me. I look back on that time and cherish those memories and I wish I would have sang a little louder in Church.

I will miss you Granny... the smell of your house, the way you would do your nails to absolute perfection, your wonderful cooking and everything about you.

God Bless you Granny for you are now with Grand Daddy and all the loved ones who went to the Lord before us. Send them all my love and we will all see each other again soon.
