“ *I'm sorry for you loss. I lost my mother 5 years to cancer and one thing that was comforting to me was the Bible's message of Hope. At the Bible's book of John 5:27-28, Jesus promises to resurrect our loved ones that have fallen asleep in death. Then In Revelation 21:4, God promises to eliminate death, sorrow, and pain...Forever. What a truly wonderful promise. I hope this has brought you much relief. May the God of all comfort help you in your time of need.*
