“ *Tammy Low and Family,*

I heart breaks for you. I know how much it hurts when you loss your Daddy. I wish I could be there for you like you were when I lost my Daddy. My prayers and love are with you, my friend~ I love you, Rhonda

“ *I would like to express my sincere sympathy in the dead of your loved one. Even though their pain is no longer, the pain of their not being with you still remains. But the Bible gives us hope that we can see our dead loved ones again in a Paradise, in perfect health. That promise will be fulfilled in the near future (Acts 24:15) May Jehovah God give your family at this time.*

“ *Tammy & Family,*

So Sorry for your loss. I never got the chance to meet him but I know your Dad will be missed. It is hard to let them go, but knowing they are no longer suffering or in pain is a comforting thought. You are faithful at taking care of your parents. I know it was a Blessing to have him spend his final days with you. My prayers are with you all as you face these difficult days ahead.

“ *I'm very sorry for your loss. Hugh was a good guy. We worked
together at phone company. Had a lot of fun.....at times. I thought
Roy Yates was going to drive Baby Hugh crazy. You would have just
had to be there to understand. I have wondered if he was still alive. I
guess most of us who worked together are now gone. My prayers
are with you. Tommy Doty, Tupelo, Mississippi*
