“ *I loved this lady like family!! In fact , all of you are like family to us! I remember us making fruit cakes together in her kitchen. What fun we had, laughing and telling stories. We planted and picked peppers together and it was always fun! She and W.D. were the first ones saved and baptized when we came to County Line 43 years back. God bless you family, wish I could be there with you right now! My love and prayers are definitely there!*
