“ It is with great respect and affection for Jack that I post this. I worked with Jack as a fellow EMT on the Marshall County Ambulance Service! He was always a joy to work with. We spent many hours together in between calls talking about our families and life in general. He loved his Lord and shared Him every chance he could. Jack spoke of his love for his family often. Love literally radiated from him when he spoke of either his Lord or his family. I considered it an honor to work with Jack and I knew he always had my back!! Thanks for the memories my friend!
To Jack's family, I am so sorry for your loss. God bless each of you, may He comfort you as only He can!

“ *So many family memories of holidays, revivals and get togethers... Life was a simpler time back then. Bro. Jack was a great revival preacher who showed he genuinely cared about your soul while preaching you under conviction. I loved to hear him and my dad laugh. They always seemed to be cutting up about something. He put God first and loved his friends and family. My husband was privileged to go with him on one of his mission trips to Argentina. We will always be grateful to him to that opportunity. He will be greatly missed....*
