“ *I am so sorry to hear this. I had not seen Jacky in person in years but he was a good friend to have distantly. For example, he called me one morning when I posted I needed a wake-up call (from studying late) and he once sent me an amazing art instruction book - a set of 2, actually - for no occasion, just to be nice. We went to school together we were little and he lived right across the street from me. I hope he knows he is missed. I hope he is now happy and reunited with his wife, Barbara. Rest in Peace, Jacky.*

My sincere condolences go out to his family and loved ones. I will add you to my prayers.

(I'm sorry this is so late. I just found out.)

“ Jack has been a good friend to me for the past 11 years. We spent many nights up till the early hours of the morning playing games online together and i'll miss that a lot. He was always funny and has a quirky sense of humor that's hard to find. I'm so happy that I was given the chance to get to know him but glad to see him no longer in pain. I miss you buddy.

“ I've been good friends with Jacky for over 20 years, its surreal to think that he's gone. He was such a funny and charismatic person. He will be missed dearly
