“ *Missing you today Paw Paw. When I see a lady bug I think of you and I know you are with me. Just like the day I was baptized and there was a lady bug in the water. I know that was your way of telling me you were there and so was Maw Maw. I cant believe you have been gone so long. I still cry when I think of you.*

“ *Connie, I am so sorry about your dad. I meant to come by and try to see you. Just look to GOD for the comfort that only HE can give at a time like this. I know that I can't say that I know how you feel but I want you to know that you are in my thoughts and prayers. You have always been a special friend. GOD bless you and your family.*
