“ Wanted to let you know that my thoughts and prayers are with you. One of my fondest memories of Aunt Nell was as a kid spending the night & her making me chocolate gravy and biscuits. Not long ago I spoke with Jimmy by phone he called trying to find out where moma moved to so he could take Aunt Nell to see her. We caught up on old childhood memories and I am glad I had the chance to do so. Right now I know its very hard to accept that they are gone but just remember that they are together taking care of one another and their memories will live with us for ever more.. I am going to try to be there Thursday if at all possible but if I don't get to come please know that I love you . Eva
