“ The news of James's illness and passing are so shocking to us. Our hearts are broken as we know yours are. Please know our thoughts and prayers are with you all.

I remember all the wonderful times we had as we were growing up: You all were family to us. I cherish those precious memories.

It was so good to see all of you at the Beech Hill Homecoming. It's difficult to imagine then that this would happen in such a very short time.

I hope to see you at the service.

*Love you all,
Jane*
