“ Please except my condolence's on the passing of your mother. She was a very special lady whom I admired very much. I am so happy that I got to spend time with her during my employment with the Tippah County Hospital Nursing home. Although; I never had her as a teacher I knew her from going to school at Pine Grove and that is where my admiration for her began. She always made me feel special when she was around I looked up to her for that.
