“ What a wonderful mentor he was for me straight out of LPN nursing school. Never a harsh word, so many lessons learned from him with patience and kindness and not one bit of hatefulness, annoyance or attitude. My prayers to the children and family.

“ *I will always remember playing with Jason when we were kids. I always enjoyed being with my cousins at Mamaw and Papaw Carroll's. And each year when I celebrate my birthday on August 14, I will celebrate his too August 13. The past several years when I would run into Jason at town he would run up to me and give me a big bear hug. Love him and will miss him. 🥹*
