“ *My sympathies to the family. Jill was my best friend in school. We played basketball together & went on double dates together & lots of stuff. I moved away from Tippah Co. a couple of years ago & just now learned of her passing. Shorty, this is Brenda Robbins, I wish I could have been there. You know I love all of you & I cherish every moment Jill & I spent together. As well as all the nights I spent at your house! Know that y'all are in my thoughts and prayers.*
