Jimmy served his country in the National Guard and served in Germany while in the Army. When he returned home, he got an Accounting degree from Ole Miss with assistance from the G.I. Bill. After brief accounting jobs in Meridian and Memphis he returned home to work at Biltrite shoe factory as comptroller. His father, Robert, built their present home in Ripley in 1965. After 20+ years at Biltrite he joined his brothers as accountant at Hill Brother Construction company until his retirement 20+ years later. “ Steve and Tom,

I'm very sorry to hear of your loss. You and I were blessed to have outstanding parents.

We took them for granted. not realizing that everyone is so lucky. We now know how hard they worked, how dedicated they were to the raising of their children, their service to God and to their fellow man.

God bless you and your families, may He wrap his loving arms around you, and give you comfort and peace.
