“ I count it honor to have had Greg as a friend for the past 35 years. He always took pride in his work. He focused on quality in everything he did. We had a lot of fun working together. I could tell John Tate and Greg stories for hours. I am thankful for the dove hunt and all the memories. Praying for your family. Greg was as good as the best and better than the rest. I have type A flu, so I can't come. I am going to miss him. Benny Sappington
