“ *To Toni and all Johnny's family: I'm so sorry to learn of Johnny's passing. We attended school together and he was always kind, considerate and just a little impish, with a grin on his face. Although many years have passed, I can see from the condolences that he continued to be known for his big heart and big smile. My prayers are with you all at this very difficult time.*

“ *We just saw John's obituary in the paper Sunday night and are so sorry to hear of his passing. Although it's been awhile since we have all been together we considered John a dear friend and will miss him dearly. We have a lot of great memories of cookouts and boating and John's wonderful sense of humor. He never failed to make us laugh and always made us feel welcome. Our thoughts are with you Toni and Casey. We would have been at Sunday visitation if we had known earlier. God bless you John!*
