“ *Ante la muerte de un familiar, amigo, conocido, de alguien que apreciamos...*

Surge con frecuencia en nosotros la pregunta sobre el valor y el sentido de la vida. ¿Para qué ? para qué vivimos? y porqué tenemos que morir?.

La vida humana, yo me imagino, que es algo así como una vela: una Vela Encendida. Una vela encendida de luz, alumbra, y da calor, calienta. La vela es para alumbrar, iluminar alrededor y, al mismo tiempo da calor.

Pero eso hace que la vela se vaya consumiendo, se vaya gastando, se vaya derritiendo y "muriendo". Y así en ese consumirse poco a poco está cumpliendo una tarea importante y necesaria.

Es cierto que una vela apagada no se consume, no se gasta, no muere... pero tampoco vive, no tiene vida. Podemos decir que está muerta. No sirve. No cumple ninguna misión.

Estamos llamados. Hemos sido creados. Vivimos para ser luz y calor entre los que nos rodean. Para eso vivimos. Eso es la vida de cada persona. Es cierto que esto tiene un precio: consumirse, morir. Pero hemos hecho algo por los demás y después de la muerte nos espera una nueva vida. Una vida que ya no tendrá fin, será eterna.

“ To Randy and the entire Jumper Family.....so sorry to learn of "Sir Johnnie's passing". I have nothing but fond memories of the "Cocker's get together at Mr. 'Mac' White's Farm, in Tenn.! Spoke with him several times on the phone, mostly bout' chickens.....he was a "TRUE GENTLEMAN", in every sense of the word. He has touched so many lives, with his Humanity, and Kindness, (musical talents also).....as well as Sportsmanship in our great endeavored SPORT OF "COCKFIGHTING". His name and his Fowl will live FOREVER.....just as he will be in HEAVEN..... I spoke with Randy, several month's ago.....and he stated, "That Dad's in bed, and not feeling well".....(i told him that i would "pray" for him). Bout' month after that, saw on "SABONG TV", (here in the Philippines), that he had attended a tribute fight in Manila. So sorry that i did not get to see my friend one more time. But we shall meet again in HEAVEN MY FRIEND! May God Bless your Family in this time of great sorry.....

“ Dear Mr. Jumper,
Probably you did not know but when time came that I almost decided to stop publishing Pit Games Magazine, your encouraging words inspired me and our readers. I will be dedicating an issue of Pit Games as a Tribute to the Legacy of one of the greatest gamefowl breeder and cocker in the world. The whole cocking world mourns your passing and I saying thank you will not be enough for your great contribution to our passion. I said this when your dear friend, Congressman James Chiongbian passed away, " Cockfighters never die, they just continue fighting in heaven". May God Bless your Soul.. Farewell Mr. Jumper we will surely miss you.

“ Dear Doris and family,
I'm so sorry to hear about the passing of Mr. Johnnie. My heart is sadden and I want you to know how much he meant to me. I'll never forget the time I came and visited with you and Johnnie and how welcomed you both made me feel. I loved when he got his guitar out and we sang some songs. Then there was Sunset. What can I say about the times we had there, especially the devotional times on Sunday. Johnnie was a true godly man and a christian beyond measure. He will be truly missed by me and the gamefowl fraternity. I can't wait to see him again in heaven.
I'm so sorry that I won't be able to attend the service. But just know I'll be praying your you and your family. Love you in Christ.
