“ We always thought of Johnny as one of our children. He was our nephew and was only 2 years old when we married. Our memories of Johnny at that early age bring us such joy to this day! One day I was baking cup cakes that he loved and he was so excited about how I made them that he ran to tell his mom that “Aunt Lois made Chocolate cup cakes all the way through!!!” Our dad and Johnny’s beloved Granddaddy Marvin, loved teaching Johnny new things and we vividly remember Johnny learning how to “tell time” at just 1-2 years old! To show off how much he learned Marvin would always wait until 9:00 to ask Johnny what time it was and he would repeat with excitement “9’ o’clock”!!! We will miss so dearly our phone calls to Johnny for updates on our Mississippi family. We are so grateful to Johnny for love and devotion he showed in taking care of our parents, Jessie and Marvin, and our sister Betty and know that he has now gone to be with them again.

“ Johnny and I had a long standing friendship dating back to childhood. We attended church together, started and finished school together and raised our families in our hometown. He lost his battle, but has surely gained a heavenly home. Prayers for you, Cathy, and the family. I know he will be missed by all of you as well as his many friends.
