“ We are so saddened with the loss of your wonderful son. As we know there is nothing that can lessen the hurt that you feel at this time just let us say that if at anytime there is anything that you need please let us know...
And know that as much as he is loved here it does not compare to the love he gets with the heavenly father.

“ To the Martin Family,

I am so deeply saddened to hear of your loss. Josh was such a sweet student. I truly enjoyed him in my class when he was in the middle school. And I had this class from 4th to 8th grade and they became my family. And I was grateful to have gotten a chance to meet such a nice young man. May God give you strength during this time of bereavement. You are in my prayers.
