“ *It has been many years but I do remember Juanita and Junior and his family who lived behind us for many years. I am very sorry to hear of her death but we know the Bible says to be absent from the body is to be present with the Lord. May you find this comforting at this time in your lives.*

“ *We are so sorry hear of the passing of Mrs. Juanita. She was always such a sweet and precious lady....always with a smile and kind word. I only learned a few years ago that we were related, but she always treated me as family. I know you will all miss her terribly - but I bet she and Junior are having a wonderful reunion. Let us know if we can do anything, and please know you are in our prayers.*
