“ *My prayers are with you all in this time of rebirth. Our eventual realization that joyful Jr. (=I can bring a flower back to life =) Wilbanks is now enjoying a place of "new beginnings" will allow for us to begin our healing. A note to you Jr., I'll miss you dearly. You have always made me smile or laugh, and I just enjoy your company. Although you're on another "mission," you'll remain here, residing in the hearts and minds of all who know you or know of YOU. Your joy is contagious. Thank you.*
