“ *Juanita and family:
Mother and I were so saddened to learn that Junior had passed away. I know he suffered much from what Edna has told me about his health. I know that you and Junior have been such special friends to Edna and he will be surely missed by all who knew him. I regret that we weren't able to be with you at the services, but we want you to know that our thoughts and prayers were with you then and will be with you in the days ahead.
God bless and comfort you and your family.
