“ The first time i met Justin he said to me and what is your name i undefined Lea Barkley he stated you not married to Old Johnny Barkley are you. I replied yes and from then on we were great friends. He always made me undefined didnt meet a stranger... And a very well manner boy.. His parents did a great job showing him to respect and always treat people in a kind and loving way... Johnny, Myself and Nick rode horses with Justin at the Cane Creek ride about two weeks ago.Didnt know god was going to take Justin away from us. But until i die i will always remember that day... We had stop to take a break and he was still riding his horse up a hill... I said to Justin you trying to be a cowboy arent u.. He said yes miss lea. And i remember another time he came by us again and he said yall come on we need to catch up and ride on..... Many other things were shared that day and it was all joy and laughter with him. I remember he told his horse would cost someone alot of money to take him... He had a great horse. We will miss him dearly.. My prayers and thoughts go out to the family of Justin Nance.. “ I'm very sorry to hear about Justin. He was a very sweet and loving person. I know that he will be missed by many. He was my brother (Jake Barkley) best friend everytime I talked to Jake he was with Justin. Me and my family are praying for yall and if there is anything that we can do just let us know. I know that it is hard to loose someone special in your life, but just let God take control and he will make it better. I remember talking to Justin not to long ago and we talked about him being saved and how he was turning his life around. I know he is with the Lord looking down at you today. May God Bless you all.

“ Sara,
I am so sorry to hear about Justin. I can't imagine the pain that you are going through. I hope that this will give you a small amount of peace. Justin came in the store and got a phone a few months back and Bro. Bill Baker was here. He sat and talked to Bro. Bill for awhile and it didn't bother him that we could hear him. He was talking about getting his life in order and above all with GOD. It was a blessing to hear a young man talk as he did that day. We will be praying for you and your family. May GOD hold you and love you as only HE can. We pray for mercy and grace to be upon you and yours through the days ahead.
All my love,
