“ *Deepest sympathy to all the many loved ones of Kathrine. You have lost a very sweet person - a mother, a daughter, a wife, a grandmother, a sister and the best friend anyone could have. 'Kathy' was one of the greatest friends (of over 20 years) that I have ever had. She was a truly good, forgiving, kind person and I share in your pain of this loss. I'll never forget all the fun we had over the years, as former co-workers and as friends. Though gone from sight, my thoughts will often return to her smiling face and the love she had for life and all of you.*
