“ *Brenda,
Shari and I were reminiscing this morning about our short time living in Collierville and how your entire family welcomed us so warmly. Through our research we found the sad news of Ken's passing just a few weeks ago.
Collierville was our first move away from our home town of Kansas City. Your family made that move comfortable for us. Candi babysitting our girls, softball with Ken, little Ken and Kenny, church, Sunday school, all great memories.
Ken was a great man that I admired very much.
Please know you and your family are in our thoughts as you navigate this difficult time.*
