“ Mr. Clark was a wonderful person and a great example to his students - he seemed unflappable! I still picture him perched on his stool, sitting on his foot - teaching. I was in Falkner class of 1974 - Praying for y'all -

“ I am so sorry to hear of the passing of this wonderfulman. He was such a positive influence to all of us at Falkner High (class of 76). May God bless you all in your time of sorrow.

“ Kerry Clark was my teacher in Mississippi History, American History and Civics. We were always trying to stump the other with some obscure history fact. He was my mentor in many things and finally my friend. I pray for God's blessings for the family and those who knew Kerry.

“ Mr. Clark was my sixth grade teacher, teaching all subjects, and later my teacher in high school in social studies. He was also my 9th grade football and basketball coach. To say he made an indelible impact on my life would be a major understatement. He was a good teacher and a better man. My deepest sympathy to his family.

“ Mrs. Clark, Terri and family,
Mr. Clark was one of my favorite teachers in school. We loved him dearly and he was very well respected. I had him in several classes but my best memories were in driver's education. He carried me and others to get drivers license. Bless his heart, good thing he was a laid back person!!! Our prayers are for grace and mercy from above. May GOD wrap HIS loving arms around your family during this time. Remember that Mr. Clark was loved by his students who turned into his friends.

“ My thoughts and prayers go out to the family. Kerry was my neighbor growing up in brownfield. I have fond memories of him passing by and waving to talking to him at Ewell Camburns shoe shop. Another fixture in the Brownfield community now gone. God bless the family.
