“ Mr. Pannell, Jennifer, and family, it was so tragic to me to hear about the loss of Mrs. Pannell. She was a wonderful woman, great teacher, and fabulous chauffeur I spent a lot of time in that old trusty white van her allowing me to go places with Jennifer and never minded taking me there. She will be greatly missed by all but I will always have wonderful memories of her. You all are in my thoughts and prayers and you have my sincerest condolences and sympathy. “ Thank you so much for including me in the sentinel about Mrs. Pannell. It was so sweet. Mrs. Pannell was one of a kind. I am in a wheelchair and had a lot of trouble in school and the only time I looked forward to school was when she was my teacher. I couldn't wait to go to school and to be in her class and see her. I was her classroom helper and I have never felt more special than I did with her. I was just thinking a couple weeks ago before she passed away that I hoped when I put in my job applications that I would get a job at the middle school so I could see her every day. I love Mrs. Pannell with all my heart and I will always remember her. I can't imagine how hard this is for the family especially but I want you to know that any and all of you are more than welcome to email me anytime if you need someone to talk to. I am a great listener.

“*Mrs. Pannell was one of the teachers that made it fun to go to school. Her room was always so bright and colorful. I remember back in 90-91 when she had her room decorated with bright neon colors. Her room, like her, was always so vibrant and happy. She was always joking with us but at the same time she was teaching us. She always made learning fun. Most of us have very fond memories of being in Mrs. Pannell's class. Let's hold on to those memories and she will live on forever in our hearts.*

“*Dear Mr. Pannell and Family: We were shocked to hear of Mrs. Leanne's death. I could always count on you, Jim, for anything I ever needed. You were/and still are the biggest Tiger Fan ever. Although our children were too small to have Mrs. Leanne as a teacher, it is evident that she was living out her calling as a teacher. The memories shared here show that she was a kind and loving person. May God continue to hold you in the days ahead. You and your family are in our prayers. Sincerely, Jamie Mitchell and Family*

“*To Amanda and Family:
I would like to take this opportunity to share my memories of Mrs. Pannell. She was a person, who always spoke in a calm voice. Whenever I saw her in public, she greeted me always with a smile. She had a unique peacefulness about herself, and I believe this was a true reflection of her inner being: a kind-hearted individual. It is no wonder why she is and will forever be adored. My thoughts and prayers are with you.*

“ My family and I would like to express our sympathy to the Pannell family in the loss of a great person. Leanne spent so many years loving, teaching, and building confidence in countless children. Her unique and creative manner of teaching is the reason so many have said, "Mrs. Pannell is my favorite teacher." My two daughters, Jenny and Anna, were fortunate to have learned from her and to have been classmates of Jennifer and Amanda. Our prayers will remain with you all.

“ Dear Family,
How saddened I am for your loss. Leanne was a wonderful human being! I worked with her for 10 years and always saw a lady who conducted herself with dignity and pride. She was so proud of each of her 4 children and she was so proud to be Jim's wife. She took pride in her students at RMS, she took pride in her Ripley Tigers. I remember our "girls" night out every six weeks on report card day. Leanne was an example to her friends-she was always there to listen as we needed to share good things as well as sad things that were taking place in our own lives. I was blessed that she counted me as a friend. I will miss my friend but I will never forget her.

“ Leanne was truly one of a kind. She always had a smile when she came by the office, even though she had had a long day at school. She always seemed happy and upbeat. Often she would stop by the office after school with a glass of tea or cup of coffee for me. Anytime there was a holiday, birthday, anniversary, I would arrive at the office to find something special left for Jim-usually balloons or something with a tiger-something fun. She was always doing little thoughtful things for others. She adored her husband and children. She truly loved teaching and made it fun for the students to learn. Anytime someone asks where I work, and I tell them, they always say Mrs. Pannell was their favorite teacher (including my Patrick). We will all miss her. Jim, Jamie, Jennifer, Warren, and Amanda, my heart goes out to each of you.

“ I met Leanne Pannell almost 20 years ago. Our children were involved in some of the same activities, so we would often find ourselves in the same place...waiting--I in my van and she in hers--to pick up kids here and there. I was new to Ripley then, and as a fellow outsider, she welcomed me into her world.

And what a blessing it was. Leanne and I always had interesting conversations. She would laugh at my silly southern family stories and I would laugh at her equally entertaining stories of California. As often as we could, we'd make our way to Helen's for coffee and pie, making sure to mention the latest book we'd read or reminisce over an "oldie but goodie" we'd heard on the radio. And, yes, as the years went by, we even shared the pains of getting older...but always with a hearty laugh and a smile.

It's that unfailing optimism that I'll remember most about Leanne. Regardless of what came her way, nothing ever got her down. Life was always an adventure to be savored.

Leanne was a true original, who always found the upbeat side of life, whether she was cheering on the Ripley Tigers or bragging about her students or taking pride in her family. For me, though, she'll always be a loyal friend, who made time to share coffee, pie, and life. Those are the moments with her that I'll cherish most.

“ I have lots of great memories of Mrs. Pannell. Back when I was in high school, when our families went in similar directions, she was always a bright spot, whether at football games or at swim meets or just around town. Then, after college, when I moved back to Ripley, it was always exciting when I ran into her at the grocery store or at lunch. She always had a smile, and I can say that every time we crossed paths, I'd always end up with a smile too. What a great legacy.

My prayers are with all of you.

“ Dear Jim and Family,
I was shocked and saddened to hear of Leanne's passing. My daughter, Kayla, is a former student of Leanne's. After hearing of her untimely death, Kayla shared stories with me of how Mrs. Pannell made their classes so interesting, and of course, of how she made every child feel so special. Kayla and other students told me that she never raised her voice or was mean in any way. What a role model!

Often when I saw Leanne, it was when she and I were out shopping. (She and I shared that hobby.) We would talk, and she was always so kind. When I think of her, I think of "kind" first and foremost.

I just wanted to let you all know that our thoughts and prayers are with you. May you feel God's peace in the days ahead.

“ Amanda,
First of all, I want to let you know how sorry I am for your loss. I have been thinking about and praying for you and your family. Your mother was truly one of the neatest, most unique people I have ever known. I was talking to my mom just the other day and she described her as "truly loving Ripley, while still being 'California' at the same time." I thought this was perfect. She had a sincere interest in all of her students, especially the students who needed to be cared for the most. That's what makes your mother such a special soul. She has most definitely left her mark on the lives of those who knew her. I love you, and I will continue to keep you in my prayers.

“ Jim, Jamie, Warren, Jennifer, and Amanda, Leanne was such a dear dear person to us. When I arrived home from a business trip on Friday Bill met me at the door with this heart breaking news. We both cried and cried at the loss of someone who was so special in our lives. I pulled out the photo albums and we sat and remembered all the happy and fun times we had experienced together during the law school days---- the trip to New Orleans, the trip to Arkansas Post (Jamie your mom was pregnant with you at the time), Jamie's baby shower, the visits between Ripley/Oxford, Jamie's first b'day, Warrens's birth and the list goes on and on. Leanne's life was full and she always put everyone else's needs above her own.

Jamie, Warren, Jennifer and Amanda, I know she was so proud of all of you. And Jim...well Jim you were the love of her life.

“ Dear Jim and Children,
Mrs. Pannell was a beautiful person from the inside out. She taught all three of our children and they all loved her. What always stood out the most to me was the fact that she made all the children feel important. I still have the letter she sent our son Anthony the summer after he was in her class. It was filled with encouragement, confidence that he would graduate in the year 2010 and her wishes for him to have a good life. Those words of kindness meant more than any material thing money can buy and I'm glad I had the opportunity to let her know that. In our conversation, she affirmed the fact that she wanted to make all the children feel special because they were all special to her. She was an inspiration to many and a great educator. We will all miss her.

“ Ms. Pannell was my teacher in the 6th grade and my colleague for nine years. She was one of the happiest people I've ever known. Even when I knew she didn't feel well, she always put on a good front for the children. They knew that she always put them first in her life. She was the biggest Ripley Tiger fan I know. She traveled to all the games, no matter how far she had to drive or how tired she was after school. I looked to her for advice for our students at school and for my children at home. She loved my own children and always made them feel so special. Alex, my oldest daughter, drew a picture for her Saturday. We attached it to several rainbow colored balloons and let it go. Alex said, "Ms. Pannell will like it."

School is not the same without her. I miss our coffee/popcorn breaks, and I miss sitting by her at lunch time each day. There's an empty feeling at school without her. She will be deeply missed.

“ *Jim, Jamie, Jennifer, Warren, and Amanda*

You have been blessed far beyond the average family in the wife and mother who was with us far too briefly. Jim, you were the love of Leanne's life and she told us often. She spoke fondly of your movie dates and dinners. As I taught the rest of you in the sixth grade I could see some of her in all of you. Jamie, you have her creative side. I remember how you could create characters in your stories. Jennifer, you have her gentle spirit. I remember your soft side in talking to others and being the peacemaker. Warren, you have her quick wit. You always had an answer to any question and were ready to go to work on your plan. Amanda, you have her imagination. I remember in Girl Scouts, you would come up with projects and wonderful stories. The greatest trait you all have from her is your ability to respect diversity and celebrate it. She spoke of you often and always with pride. She really enjoyed your family birthday celebrations and holidays She loved you all so.

My children were privileged to have Leanne as their teacher and they loved her. All 3 of them commented on how they loved "READING HER WALLS" which were filled with wisdom. She also supported them in scouts and sports. What they learned from her extended far beyond the classroom and will be with them throughout their lives They knew that she genuinely cared for them as well as every one else in their classes. She truly taught our children.

I loved Leanne with all my heart and there was never a doubt in my mind that she loved me back. She was my FRIEND and I will miss her everyday of my life.

“ I remember working with Leanne when she was teaching at Oxford Elementary School in the 1970s. Her class was composed of fifth graders who were below grade level in their skills, and she was the perfect teacher for these students. They loved her and were convinced that she loved them in return. I never saw Leanne without a smile on her face and never heard her utter a negative word. She was the perfect example of what teaching is all about.

I grieve with her family and her school community. Her passing is a loss beyond words to describe.

“ Leanne was a friend and co-worker of mine for many years. I never heard her say a critical or negative thing about anyone. I never heard her raise her voice to her students. She was a wise teacher who sincerely cared about her students. She will be greatly missed at Ripley Middle School.

“ Jim, Jamie, Warren, Jennifer, and Amanda,

I am so sorry for your loss.

I remember coming to your house with Jamie, or Jennifer, or Amanda and your mother always made me feel like I was at home there. The last time I saw Mrs. Pannell I had my son with me and she told me stories about how much she enjoyed all of her children when they were Jacob's age, and how great all of you were, and how proud she was of all of you.

Mrs. Pannell was such a joy to be around, I don't think I have ever seen her when she wasn't smiling. She wasn't just good to people, she was also such an animal lover, and I will never forget her.

Please let me know if there is anything I can do to help you during this hard time.

We were so very saddened to hear about your loss. LeeAnne was a very true friend of ours and our family. She was loved by everyone. She will always be remembered at Ripley Middle School because she touched so many lives and did so much for her community. She was one of Casey and Josh's favorite teachers. She was truly a blessing to all of the lives that she touched. I know the Lord said to her "Well done". We will be praying for you all in the days ahead.

“ I didn't know Leanne, but I do know Amanda. She is one of the sweetest, most down to earth and caring young women I have ever known. Attributes such as these do not come by accident, but are cultivated by loving parents. Amanda and her siblings are living tributes to their Mother's memory.
My heart goes out to all her loved ones left behind.

“ My mother spent her entire life changing children's lives. Seeing how many people were touched by her mere presence, means so much to me during this difficult time. Our family can not begin to express our gratitude for all of your support. We ask that rather than mourn in her passing, celebrate her life. She remains an inspiration to her children, husband, students, and the friends and family who always understood her unique style.

Everything I've done in my life was for her and I know she would be so honored and probably even a bit embarrassed by all of the love and support. She was so selfless, beautiful, intellectual, and everything I aspire to be in life.

All she ever did was help anyone in need and I ask that in her memory please mirror that image. She reached out to so many children who were often overlooked. Changed lives. Offered Comfort. Gave them hope. She always made every person feel like they were the most important person in the world. It was truly an honor to have grown up with a mother and a teacher who could not have been more perfect.

once again, thank you so much for your support and my heart is with her students and the community who share this terrible loss with my family and myself.

“ Jim, Jamie, Warren, Jennifer and Amanda, Leeanne was such a special person who will forever live on in the lives of the students she has touched and the privileged of us who can call her our friend. She was one who truly was called to be a teacher and she taught not only book knowledge because she was an excellent teacher, but also life knowledge by her example. She loved everyone and I truly can say that I have never heard any negative thing ever said about her. She was always one of Brad and Sarah's favorite teachers. I will never forget the little happies she made them to encourage them as they prepared for the county spelling bees....I think we actually may still have one of those cute little bees somewhere around here. As a teacher, she has touched the future....that impact will always be here. Her memory will always be cherished by all who knew her. You all are in our prayers. Thank you all for sharing such a special wife and mother with us.

She really made an impact on my son Isaiah, she took the time to talk to him and she was his friend, he has never had a teacher that made him feel as comfortable as she did and we know that there will never be a teacher that will be able to fill her shoes. “ Mrs. Pannell was one of my favorite teachers in school. She was very loving to her students, caring about them and did everything in her power to help each and every one of them if they would let her. The year I was in her class, I was elected classroom helper and I got to help her with things every day. It was so much fun being with her. When I heard of the tragedy of her death I was in shock, and to this day I still am in shock. God has plans for every one of us on this earth and it is in his hands when we die. We just have to trust that Mrs. Pannell is now in a better place and that it was her chosen time to leave this world, we just may not understand why. I will never ever forget Mrs. Pannell as long as I live. The family will be in my hearts and prayers for a long time to come. Mrs. Pannell will be truly missed by so many people. Keep your faith in the Lord and he will see you all through this sad time.

“ TO: Jim, Jamie ,Warren,Jennifer and Amanda

Your wife and mother was a ray of sunshine to everyone who had the priviledge and opportunity to have known her. Her genuine concern for the needs and feelings of others is a testimony as to the kind of person she was. She embraced people and made a difference in people lives by helping each person to understand how important each person is. My children, Cathea and Lanedra have often spoken of the occasions of visiting your home while they were growing up.She always made them like one of her own children. One of their fondest memories is of her giving them their first puppy (Twinkie). This act of kindness was just one of the many times that she was always giving something or of herself. I love you all and I ask know that God will strengthen you during this time.

“ I had the privilege of working in the classroom with Leanne for the past three years. I watched as she treated each student with respect and dignity. Her wisdom and knowledge were amazing. I often found myself smiling as I sat in the back of her room. She was always looking on the bright side of things. Jordan and Scott enjoyed having her as their teacher. I miss her and will remember her always. You are in my thoughts and prayers.
