“ *Jason,*

I just heard about your Grandfather. I'm so sorry for your loss. From the stories you told me he was a fun person and full of life. Nothing I can say can ease your pain but you and your family are in my thoughts and prayers.

“ *So sorry to hear of Leroy's passing. I became acquainted with him when he was Constable and I was Justice of the Peace. He always did his job in a professional manner. Our thoughts and prayers are with all of you.*

“ *To all of Leroy's family, We are praying that the Lord is wrapping His arms around you at this time. We are thinking of him and of you and wish we could be at the funeral, but Beth's health is not permitting much activity. Our hearts are breaking with this loss. He will be in our hearts and we will be remembering him, just like we do Jewel, as such good neighbors. If we can help in any way, please feel free to call on us.*
