“ *I was so sorry to read of Steve's passing. I thought of him often and will remember what a wonderful person he was. He was the best boss I ever had when we worked at the hospital in New Albany. He always had a song to sing and had one of the biggest hearts of all. He loved his family and really cared for people, always bringing a smile and a little happiness each day. Lorraine, Shawn, Steve & TJ are in my thoughts and prayers.*
