“ *Wanda...as soon as Martha called and told me, memories of you and I working on our science project at your house and all our adventures together when we were very young came to mind. Your Mom and Dad were kind, happy folks that made me feel welcome in their home.*

We are praying for you, James, Beverly and Billy. You took very good care of your Mom and it is so reassuring that she and your dad are together again. But missing our parents is so, so hard. With love, Barbara and Alan

“ Wanda, your Mom was a very nice lady. I can't remember her without a smile when she would come in the store years ago. Losing one's Mom is one of a person's toughest experiences, my thoughts and prayers are with you and your siblings.

“ We were so sorry to hear of Ms. Lila's death. She was such a sweet little lady. It was a joy to see her in church on Sunday when she was able to be there. She always had a smile on her face. We loved your mom. Please accept our condolences.
