“ *Your family will be in our prayers. May you find comfort in the many memories you had during the years you had her with you. I understand your loss. I lost both my parents 5 years ago. My dad died on Oct. 12, and then 4 days later on Oct.16, my Mom died. It doesn't matter how long you have them with you,it is still difficult to give them up. May God bless you with comfort. Love ya.*
