“ *So sad to learn of Kay's death but I will always have her in my heart and treasure the great memories of our times together with Scally and Ruth. I know she was having discomfort and I have prayed nightly for her to be free of pain. She is now in her heavenly home--pain free! Kay was a very kind and caring friend--always willing to lend help to others. I love her and will miss our telephone visits. RIP dear Kay! You were a shining star!*
