“ *Because of Louie I was married to the most wonderful man in the world. Louie didn't want to leave Ohio when his father moved to California and the only way he could stay with me was if his dad gave me custody of Jr or he was my stepson so Jr asked me to marry his dad. I loved his father so that was no problem. So thanks to Jr, I was married to his dad and we all ended up in California! Jr said if I moved he would go to California, he really didn't have a choice, lol! I'm sorry Louie that I didn't talk to you sooner! You will always be loved! Your with your dad now, love you!*
