“ *I am so sorry to hear about Miss Lovie. She was a wonderful person and I enjoyed taking care of her every time she came into the hospital. She always made me smile and laugh. It was an honor to know her even though it was for too short a time. My thoughts and prayers go out to you.*

“ *I only met Mrs. Patton one time, but she seemed like such a sweet lady. Mike and Janet, I know you took good care of her and made a lot of sacrifices in your own lives to do so. You will miss her, but you will see her again one day. My prayers and thoughts are with you at this sad and difficult time.*
