“ Daniel & Family, I was saddened to hear of Margia's death and of your great loss. Margia was my mentor and trainer at Security State Bank so many, many years ago. She was a wonderful co-worker and a great friend.

Please know that all of the Security State Bank alumni are mourning her loss. Many prayers go out to you and the family.

“ Daniel: We are so sorry to hear about your greatest loss. We wish we could have a comforting word. We know these conditions are possible but so difficult to accept. Faith, I suppose is the support at a time like this our conditions made it too difficult to attend. Good luck in the future.

“ Daniel, words can't express what I feel in my heart right now, you know how much I loved Margia and all of you, there is a hole in my heart that can't be filled but I know that she is in a better place and we will be fishing together again in Heaven sometime in the future. Take care of yourself and I will be talking to you soon.

“ for Daniel, Danny and family, my prayers are with you at this time of great loss. Margia was one of my favorite people while we all worked at Security State Bank. Margia was always fun, and laughing. Very delightful. The old 12-25 Branch was not the same after she left! Also, she was kind to share her knowledge and counsel as I was developing in the bank. She was a special person.

“ To Daniel and Family,  
I was so sorry to hear of Margia's death. She was a lovely person and will always be remembered by me. I often think of all the good times we had when Margia, Alice, and I worked together. She certainly  
loved her family and never hesitated to say so. May God be with you all during this rough time in your lives.  
Love,

“ My thoughts and prayers are with you. I have very fond memories of sitting with Mrs. Glover at Danny's baseball games. I think I still have the bracelet she bought for him to give me for my birthday - some 40 years ago. She will always have a special place in my heart among my favorite childhood memories. Kathy
