“ Mom, another year without you has come and gone. I think about you every day and miss you more than I can ever tell you. I think of all the good times we shared, the laughter. The tears, all the Joy's. Wish you were still with me so we could continue making more memories. Until we are together again I will cherish our memories. your beautiful smile and all the love you gave me. You were and still are the best Mom anyone could ask for. I love and miss you Mom. Love. “ Mom, this is the 6th year not being with you on Mother's Day. I miss you so much. I know you are healed of that horrible disease, Alzheimers. For that I am grateful. I have so many memories but I just wish you were here to make more. My heart hurts for you, just to hold you one more time, just to hear you laugh and just to hear you call my name, the "justs" never stop. I Hope you and Joan Have a Happy Heavenly Mother's Day. Love and miss you so much. Jean,
