“ *Hey Missy and Mark. I am so sorry about Nell. She was a great lady and I thought a lot of her. I enjoyed working with her all those years ago when we rode to work together. She offered a lot of encouragement to me as I was going through nursing school. I'll never forget her. I am so sorry for your loss.*

“ *Missy, I am sorry to hear about your mom. We still have fond memories of when we rented from her in Walnut. We picked and put up so many peas from her and your grandpa's garden. We ate peas for many months. Missy, again I am sorry for your loss. You and your family are in my many thoughts and prayers. God Bless.*
