“ *Ms. Mary was one of the best neighbors a person could ask for. I really enjoyed our little visits. I loved talking with her. I will truly miss her. Each day I would sit in my chair and I would see her walk to the mail box and she would often stop to pull up a weed in her flowers or pick up a stick or a piece of paper someone had thrown out. I loved watching her work around in her flowers. And she was so generous with her vegetable garden and would always be giving me a jar of pickle or squash relish. She was truly a gem. I loved her very much.*

“ So sad to hear of Ms Mary passing away. My earliest memories of living in the Oakland/Three Forks communities are full of flashbacks about people like her who made you feel loved no matter where you were. If you were at Oakland Church, Three Forks Grocery, or a store in Walnut you knew you were among friends. When you saw Ms Mary she always smiled and when she greeted you this always made you feel welcome. This very same friendly attitude was exhibited at home, even though you knew she probably didn't feel as well as she said.

I'm sure she will be greatly missed in your family. Prayers and condolences.
