“ I would like to extend my sympathy to my dear friend, Hazel Dillard. Hazel, I would like you to know that although we do not get the opportunity to see each other or even talk much, I still love you just as much as ever and I want you to know that you are in my thoughts during this difficult time. Please be assured that I am always only a phone call away and think of you often. I hope that you are able to find comfort in the love of friends and family. Wrap your arms around yourself and squeeze - that is me giving you a big hug. I love you and miss you!
