“ *I was so sorry to hear about Mary Ann. I have known her and loved her my whole life. She was very special to Mother as well. I had no idea about her illness and have grieved over your loss but I know she is with her Heavenly Father and dear family. I have many fond memories of our childhood years and the many pranks she pulled on us. The older she got the dearer she became to so many. Mother sends her love and we will pray for comfort for you all in the coming days.*

With much love. Donna Needham Yancey.
