“ *It's been so many years since I've seen Mary. Such fond memories as young girls. Can't count the times she has crossed my mind. I'm so sorry for this loss. May God send in his Angels of comfort to all.*

“ *I remember being in a few classes with Mary Ann at Ripley when we were young and even riding the bus together for a while. She was always sweet to me and somewhat quiet. I cannot recall a specific conversation we had but I do remember giggling with her as young girls do. Life may have taken us in different directions but I've always thought of her fondly. I'm sad to hear of her passing. May God give her family comfort during this difficult time.*
