“ *Ms. Maybelle was one of my teachers at Walnut. I have always thought about her from time to time--you will have those special people that leave a lasting impression. She was a very sweet lady. My thoughts and prayers are with your family.*

“ *Peggy: I was so sorry to hear about your mother's death. I am thinking of you and your family at this sad time. Your mother was always so nice to me whenever I was at your house when we were in school together. My mother passed away back in November, so I know that this is a difficult time for you and your family.*
